

Stittsville

Stittsville's Most Prestigious Community

Fernbank Crossing is an exciting master-planned community with its own Village Green town centre, parks and pond, all within easy walking distance of local shopping and new schools planned for the neighbourhood. Here eQ Homes has unveiled an incredible array of 2 storey homes, detached bungalows on 42' and 50' lots, a limited release of semi's, and Foxwood Condominiums – all with spacious and innovative floor plans. Fernbank Crossing is where quality meets value, and the place where you can finally make your dreams of a new home come true.
