

Join the 2018 Production Builder of the Year!

Are you a **skilled tradesperson** who takes pride in what you do? Are you looking to work with a company where the best people are employed and are empowered to become great? eQ Homes is dedicated to cultivating creativity by challenging the status quo and encouraging innovation.

We are looking to fill permanent full-time positions over the next month. Community locations include Riverwalk (Manotick), Pathways (Findlay Creek) and Greystone (downtown Ottawa).

The roles:

Finishing Foreman

- Supervise the finishing trades and deliver a defect-free home on-time and within budget.

Framing Foreman

- Ensure that all interior and exterior elements of the home from excavation to drywall are constructed as per plans, specifications and scope of work.

Carpenter

- Provide general handyman work in homes under construction with attention to detail and great workmanship always being maintained.

Labourer

- Provide assistance to the site superintendents and foremen on-site to ensure that the job site is proper, units are clean inside and out, and materials are stored professionally at all time.

Your attributes:

- A minimum of five years' experience working in the trades or for a production home builder
- Capable of maintaining composure and focus under tight deadlines
- Ability to amicably deal with internal and external stakeholders

We are committed to the best customer experience in Canada!
