

Carpenter

We are seeking an experienced Carpenter who possesses great workmanship and strong work ethics to work in our homes under construction.

The role and attributes:

- Conduct repairs on finished surfaces
- Minor framing and carpentry work
- Maintain maintenance logs as required for site vehicle and other equipment
- 5 Years working in construction with relevant job experience.
- Understanding of MOL regulations and the importance of reporting structure as relates to H&S.
- Certification to handle gas/propane temp heaters on-site
- Effectively communicates both written and verbal.
- Maintains to do lists and remains focused on the task at hand.
- Attention to detail at all times.
- Computer skills are an asset.

About eQ Homes:

- Builder of Choice in the National Capital Region.
- We build lifestyle communities throughout Ottawa.
- We are committed to the best customer experience in Canada!
